St. Mark's is pre-enrolling for the 2022-2023 school year for all current and new K-8 students. Pre-enrollment will continue until May 31, 2022. **Pre-enrollment/pre-registration fees are non-refundable.**

Any family who enrolls during this time reserves their child/children's spot in that class for next year. If you pay the \$200 registration fee during this time you will qualify for the reduced "Pre-registered Tuition" rate. If you do not then you will be charged the higher tuition amount. This again is an opportunity for you to save money on your child/children's tuition. Provisions will be made for families with multiple students at St. Mark's.

Families may enroll their child/children at this time without paying the registration fee until August, but will not be charged the "Pre-registered Tuition" rate. Financial aid will still be handled the same way on line as in the past—www.factstuitionaid.com

Enrolling now also allows the school to get an idea of student numbers for each class for next year. The school can then start looking at books and other costs for the budget to be better stewards of the gifts God has given us.

We ask you to please participate to help St. Mark's prepare and we look forward to seeing you for the 2022-2023 school year!
