## *Sailing Our Way Through Summer*

### *Parent Information*

Our camps are meant to engage and challenge students in an inviting area where they can create, imagine, and learn through fun.

Each camp includes activities based on the camp week. Each day children will have new activities to engage in, learn from, and have fun with! We will be messy so dress your child in clothes that can get dirty but would abide by school dress code rules.

Lunch will be a sack lunch and milk that will be provided. You are also welcome to send lunch for your child. We will be having an afternoon snack for those attending full day.

The camps will be staffed by Christian adult workers who have experience and/or training in working with children. Your child will receive the same quality care and education that they receive in our school year program.

- Preschool campers should send an extra pair of clothes in a Ziploc bag in case of spills or accidents.
- Bring a backpack or bag for take-home projects or papers.
- Each camper should bring a refillable water bottle that is labeled with their name each day.
- Please put a bottle of sunscreen labeled with your child's name in a ziploc bag in their backpack to use as we will be outside as much as possible.
- Fun in the Sun week appropriate swimwear and towels should be brought and sent home daily.
